Motorola Radio Purchase

This is a single-source purchase due to compatibility issues and no other options.

Staff is asking for approval to purchase replacement radios for the entire fleet. The current model(s) are either approaching the end of their service life or outside the service life and can no longer be maintained.

The Chino purchase will be made utilizing the last of the previous bond funds.

Radios purchased to replace those currently on Central Yavapai apparatus will be paid over 5 years using the already established radio replacement line item plus \$16,000 per year from Capital Reserve. A Professional Services Addendum is also included for approval.

Both payment methods limit the impact to the Capital Fund.
